

A MEDICAL GUIDE'S VIEW OF THE HEALTHCARE GALAXY

(PUTTING YOUR HEALTH IN ORDER)

Glenn Wollman, MD "Medical Guide", assists people in making important medical decisions. Using an integrative, holistic approach, choices are made specifically for each individual from the best healing methods practiced on the planet.

In this presentation Dr. Wollman will offer his view of the "Three Orders of Medicine and Healing". The participants will have the opportunity to identify their personal position in the Galaxy and how to effectively navigate through each Order.

For more than thirty years Dr. Wollman has practiced Emergency Medicine. Throughout his career, Glenn Wollman has combined modern Western and ancient healing methods of treatment. He founded and was the Medical Director of a hospital-based Integrative Medicine Program. As part of his training, he has spent time with Physicians and Traditional healers in Mainland China and Bhutan and collaborates with Ayurvedic doctors from India.

He has studied internal and external martial arts for over thirty-five years; is a professor at the Santa Barbara College of Oriental Medicine and offers courses in the Adult Education Department of Santa Barbara City College. He has written, performed and produced a musical CD, "Sleep Suite".

Dr. Wollman offers a "Life Balance" Program to individuals and groups through private consultations, workshops and seminars. He can be contacted through www.LivingSuite.net
